

Dennis Moon

National Executive

Managing Director of Specialty Asset Management

U.S. Trust

Bank of America Private Wealth Management

Dallas/Fort Worth, TX

Dennis Moon is the National Executive, Managing Director within the Specialty Asset Management Group at U.S. Trust, Bank of America Private Wealth Management. This includes the national fiduciary role for Real Estate, Farm & Ranch, Oil, Gas & Minerals, Timberland and Private Business Group.

Mr. Moon joined Bank of America in August 2003. Prior to joining Bank of America, he was the Managing Director at Wachovia Bank, heading up their Specialty Asset Management Group. Mr. Moon is also a past President of the National Trust Real Estate Association (NTREA) and member of the National Council of Real Estate Investment Fiduciaries (NCREIF). Mr. Moon has over 30 years of experience in the direct management, investment, oversight and responsibility for specialty assets. He is a frequent speaker at conferences on the national and regional level. Mr. Moon graduated from Presbyterian College with a degree in Business Management and from the Executive Management Program at the Darden School of Business at the University of Virginia. He is also a Certified Property Manager (CPM).
