

Patricia Maisano is the Founder and CIO of IKOR International Inc. IKOR is the first national company to provide the staff and proven systems for direct advocacy services, focused on the lives of the disabled of all ages, and Seniors.

Patricia brings more than 40 years of experience to the field of case management and advocacy beginning her career as an RN and augmented by her numerous certifications.

Ms. Maisano is recognized as an expert in her field through her extensive court testimony, her numerous presentations, interviews and articles. She is a facility member of the Pennsylvania Bar Institute, and has been published through national newspapers such as the Wall Street Journal and Trust and Estates Magazine.

She has given her energy and efforts to bring light to tonight's subject, and has worked in this sector of the country to assure that predatory behavior is treated for the crime it is.
